Dear Friend,

Enclosed is information about Prairie Flower Children's Center, the only truly alternative preschool program in Ames. We are located at the Unitarian Universalist Fellowship of Ames, 1015 Hyland Ave., close to Iowa State University. We currently accept applications for children ages 3 through 5 years.

Our program embraces the principles of Waldorf Education. We offer a media-free environment, serve whole and organic foods, and maintain a warm, homelike atmosphere for our students featuring indoor and outdoor free play, simple toys of natural materials, and oral stories, songs and verses. We are committed to encouraging children's imaginations to flourish, protecting the wonders of early childhood, and honoring the natural rhythms of each day, week and season.

Our community of involved parents and dedicated teachers creates a loving circle of support around each child at the Center. There are many opportunities for parents to participate in the daily life of the school, in parent-share evenings and in special seasonal celebrations and festivals throughout the year.

We welcome visitors at Prairie Flower. Please call teachers Delphine Douglass or Darla Holliday at 515-292-4312 to schedule a time or to answer any questions you may have. You may also check our website for more information about our preschool, at www.ameswaldorf.org.

We look forward to sharing information with you about the unique and valuable experience Prairie Flower can offer your child!

Sincerely,

The PFCC Staff
